TERMS AND CONDITIONS

TERMS — The terms are cash or cheque — all payments must be made to the Clerk of the Sale, and no release will be given until satisfactory settlement has been made.

BIDS—The highest bidder will be the buyer. In case of dispute, the animal will again be put up for advance bids between the contending parties, and if there be no advance bid, the buyer will be the party from whom the auctioneer accepted the last bid.

RISK—All animals are at purchaser's risk as soon as sold, but will be cared for free of charge until released by the Royal Winter Fair.

ERRORS—If typographical or other errors are noted in the catalogue, announcement of corrections will be made from the Auction Stand, and such announcements will take precedence over the matter in the catalogue.

PEDIGREES—All animals sold are, or will be registered in the Herd Book of the Breed Association of Canada. Transferred registry certificates will be forwarded to the purchaser of each animal.

HEALTH—All animals are from Fully Accredited T.B. Free Herds, or will have passed a Negative T.B. test within thirty days of the sale. All animals will have passed a Negative bloodtest for Brucellosis within 30 days of sale, or otherwise conform to health requirements as approved by the Dominion Health of Animals Branch for the Royal Winter Fair.

SHIPMENTS—All possible aid will be given in making shipment after the sale. Any expenses incident thereto are at cost of the purchaser. Purchasers are requested to furnish shipping instructions and correct address at time of making settlement.

WARRANTIES—(1) Each consignor guarantees right and title to property. (2) Unless otherwise noted in the catalogue or announced from the Auction Stand, each animal is sold as sound. (3) Each animal is sold as a breeder subject to the following conditions:

A. Males—Should any bull, after having reached the age of 15 months, fail to prove a breeder after being used for four months on cows known to be breeders, the matter shall be reported in writing to the consignor who will then have the privilege of four months on his own premises to prove the bull a breeder, before refunding the full purchase price or make other settlement satisfactory to the buyer.

B. Females—Any female, pregnant when sold, or that calved normally within 90 days of the Sale will be considered a breeder. Bred females are sold as "pregnant" to the best of the consignor's knowledge, and the result of pregnancy examinations will be announced from the stand. However, consignor does not guarantee that a pregnant female will deliver a live calf. Any female not pregnant when sold or that on having reached the age of 18 months should fail to conceive after having been bred regularly for four months to a bull known to be a breeder, and treated by a competent veterinarian, should be reported in writing to the consignor. The consignor will then be granted the privilege of a further period of four months to prove the female a breeder on his own premises before refunding the purchase price as full adjustment or make other settlement satisfactory to the purchaser.

(4) The consignor is not responsible for damage caused by foreign bodies after the animal is sold, inclusive of mummified calves, nor for sickness not apparent at sale time.

(5) All transportation charges on animals returned to the consignors are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

ACCIDENTS—The Royal Winter Fair, Auctioneers, Sale Managers or Owners, will in no way be responsible for the condition of the grounds or the behaviour of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY—It is clearly understood that the Sale Management is acting only as intermediary between buyer and seller and is not responsible for any failure by either party to live up to their obligations. Any legal action that may in extreme cases have to be taken must be between buyer and seller and will in no way involve the Sale Management. In every case, however, the influence of the Sale Management will be exerted so far as possible to hold both parties strictly to these Terms and Conditions of Sale. The Sale Management in mutual agreement with the Breed Association will decide any point not covered by these regulations.

Every person who contributes any animal to the Sale and every one who bids at the Sale, by so doing agrees and endorses the foregoing terms and conditions.

BY-BIDDING IS STRICTLY FORBIDDEN—Any contravention of this rule will bar the consignor from participating in future Sales.

Foreword

The ideal of every livestock breeder is to produce an animal that is a delight to the eye as well as fulfilling the commercial purpose for which it is raised. That competent livestock breeders of Canada have achieved remarkable success in the skill of breeding efforts, is evidenced by their product being highly respected and sought after in almost every corner of the Globe where purebred livestock as we know them are raised.

Almost every type of purebred animal proven worthy under Canadian conditions have, when given the opportunity, proven versatile and adaptable for other Countries and climates in increasing numbers. In the select field of International competition, animals of Canadian origin have played a dominant and worthy part at such shows as the Pacific International, Chicago International, Australian Royal Show, International Exhibitions of Dominica and Cuba, and strong National Shows in Central America, South America and European countries who have seen fit to import bloodlines from this Country. Canadian breeders therefore have good reason for justifiable pride in their selection of original foundation stock, and the ensuing development for improvement of the resulting descendants.

Canadian breeders can be equally commended too, for their foresight in sire selection, having over the years brought in from other Countries many sires of new bloodlines that have played important and even dominant parts in livestock development. This trend must always continue, for history has shown that no geographic location can continually produce a superior product without infusion of new blood and ideas. The Sale of Stars therefore offers a unique and valuable source of comparison, bringing together as it does the best bloodlines from widely separated areas, each thereby a measuring stick of comparison and use.

HAYS FARMS LIMITED,

Sale Managers.

Notice

The Royal Agricultural Winter Fair regulations require that the cattle shown be on the premises from November 16th to 24th and Sale of Stars entries cannot therefore be released until Saturday, November 23rd, midnight. Proper care will be taken of these animals by the consignors until release on that date.

Lot numbers in the catalogue are allotted in alphabetical order of consignors and a complete index appears on page 28.

Insurance effective immediately, may be secured through the Sale of Stars office on enquiry.

ROTHNEY JUGGLER—First Summer Yearling, Junior and Grand Champion at the Calgary Exhibition and Stampede and member of 1st prize Get-of-Sire. He is deep red with strong masculine outlook, smooth in his conformation, strong through the heart and plenty of bone. His sire, Calrossie Highland Piper, sired also the Junior and Grand Champion and the Senior Champion bull at the Calgary Bull Sale, the first prize two bulls and first prize three bulls. The six bulls by Highland Piper sold for \$2300, \$1600, \$1325, \$1225, \$900 and \$825 at the Calgary Bull Sale. At the Saskatoon Interprovincial Bull Sale another four bulls by Highland Piper, including the Reserve Grand Champion, sold for \$2100, \$1600, \$825 and \$800. Truly a remarkable record. Note especially that the dam of ROTHNEY JUGGLER is by Scotsdale Aspiration, the Royal Winter Fair and International Grand Champion that sired the 1951 Grand Champion and First prize Get-of-Sire at the 1951 Royal Winter Fair.

A good smooth heifer that should make a breeding cow. Her sire is Reford Gardhouse's son of Calrossie Welcome, whose progeny were so well appreciated at the Aberfeldy Sale. Note his Calrossie Welcome/Kirkton Baronet cross and that he is full brother to the \$20,000.00 Calrossie Ocean Wave purchased by Maclyn Plantations, Georgia. Calrossie Pauline Pearl was female Champion at the Royal Highland Show 1950 and her dam, Calrossie Paula, is the dam of Calrossie Elevator who was top selling bull in Argentina at 5,000 pounds. Note that the dam of his heifer is by CAMSON PRINCE BOB who is the top selling individual at \$8,000.00 of all the Shorthorn Sales of Stars, going to Mr. George Cox of North Dakota, where he has done a tremendous job as breed improver.
